Jayson Shaw "MVP" Cue by JFlowes: Redefining Excellence in Billiards

About the MVP Cue

The “MVP” is more than a cue—it’s Jayson Shaw’s personal statement to the game. This limited-edition masterpiece blends artistry and engineering, with a sleek ebony foundation and ivory Juma inlays that catch the eye. Shaw’s signature is overlaid proudly onto the forearm, making each cue a collectible piece of his legacy.

What truly sets the MVP apart are the leather wrap options: choose embossed white ringtail lizard , or black and white embossed snake skin. Both offer premium grip and a striking look that reflects the intensity of championship play.

Equipped with advanced carbon fiber shaft technology, the MVP ensures low deflection, pinpoint accuracy, and unmatched consistency. It's a cue worthy of its name—and worthy of yours.
