PRODUCT DESCRIPTION

About

OBSIDIAN is designed to make an impression the second you step into the room. The front features bold **red blade-like curves** that sweep inward over a deep **black body**, creating a look that feels fast, controlled, and highly disciplined. At the lower section, **white side panels** and black striping add extra contrast, giving the shirt a balanced finish that feels athletic rather than overdone. The result is a design that looks fierce from the front and clean from the back.

This shirt is not only about style. It is also built for serious wear during practice, league nights, and tournament play. The **classic fit** offers comfortable freedom of movement, while **mesh ventilation under both arms** helps improve airflow when the pressure rises. A structured **pro collar**, clean **JFlowers branding**, and a smooth **premium fabric blend** complete the build, giving **OBSIDIAN** the polished feel of a performance shirt that is ready for action.

Design Highlights

- **Bold red arc graphics** frame the black center body for a powerful, aggressive look.
- **White lower side panels** add contrast and help sharpen the overall silhouette.
- **Pro collar construction** gives the shirt a more elevated and tournament-ready finish.
- **Underarm ventilation panels** help maintain breathability through long sessions of play.
