About

SUAVE is all about controlled style. The design features a rich **red body** framed by a commanding **black center panel** that runs vertically from the collar toward the hem, giving the shirt a sleek, elongated silhouette. Angular **black side accents** and **shoulder blocks** add a strong athletic shape, while softer **tonal red overlays** bring extra depth without cluttering the look. The result is clean, modern, and unmistakably sharp.

This shirt is designed for players who want something bold without being loud. The structured layout gives **SUAVE** a refined edge, while the **classic fit** keeps it easy to wear for practice, league nights, or tournament play. Performance matters too, which is why it includes **mesh ventilation on both sides under the arms** to help improve breathability. Paired with a **premium fabric blend** and **Airflow technology**, **SUAVE** delivers the kind of comfort and polish that works on and off the table.
