

[VALEN FLOW](#)

Midnight calm, teal sting. A band of **long, razor-tapered spear/diamond points** runs the forearm—each with a **teal outer “leaf,”** **slim black veneer,** and **white diamond tip**, plus a **center spear of abalone** that flashes green/pink under lights; the handle finishes in **black embossed elephant-ear leather**.

ABOUT THE JF20-29F

This take leans elegant and aggressive at once: the **black-painted maple** butt carries a continuous band of **spear/diamond points** with **teal outer leaves**, **hairline black veneers**, and **white diamond caps**, while each center spear shows a vertical **abalone** inlay that throws color as you move around the table; **ivory Juma diamonds** with **aluminum accents** finish the geometry at the joints and sleeve.

For feel, the **elephant-ear grain leather** adds a textured but composed grip, and the cue uses a **Uni-Loc quick-release joint** so butt and shaft lock with a simple one-turn; a **Moori** high-end tip ships standard, with a deep premium tip menu available at checkout.

Extras you'll appreciate: All JFlowers playing cues ship with an extension ready bumper, include an XTC ferrule, come in 19 oz or 19.5 oz, and are fulfilled fast—from Jacksonville, Florida for North America and direct from the factory for international orders (typical transit: US ~4–5 days, International ~7–8 days).

DESIGN HIGHLIGHTS

- **Theme & Banding:** A continuous band of **long, razor-tapered spear/diamond points** over **black-painted maple** for a fast, unified read.
- **Color & Details:** **Teal** outer “leaf,” **slim black veneer**, and **white diamond speartips** with a **center abalone spear** that flashes green/pink.
- **Inlays & Accents:** **Ivory Juma diamond** elements with **aluminum** accents provide bright contrast without visual clutter.
- **Grip & Joint:** **Black embossed elephant-ear leather** for confident traction and a **Uni-Loc quick-release joint** for one-turn assembly.

WHY CHOOSE THIS CUE

You want a **stealth profile** that turns **luminous** up close—teal leaf points, real abalone fire, and a leather grip that stays composed under pressure.

POPULAR FAQs

Q: Is the teal band real wood or just printed?

A: The teal is **painted maple with decorative overlays**, paired with **real abalone** and **ivory Juma** inlays.

Q: What exactly is a Uni-Loc joint?

A: It's a **one-turn quick-release** joint that makes assembly fast and repeatable with a precise lock-up.

Q: Can I add reach later without using a bridge?

A: Yes—JFlowers offers **1–8 inch, stackable rear extensions** that thread on in seconds.
